Our RYLA Program is a leadership skills course for nominated high school students who desire to improve their leadership potential. Our lead facilitator, Michael Angelo Caruso, has transformed this program over the past seven years into an AMAZING and LIFE ALTERING experience for more than 600 young adults! To find out more about Michael you can visit him at www.edisonhouse.com.

This year's program is limited to **100 students**, so be sure to register as soon as possible. Don't miss this fantastic opportunity to participate in this extremely worthwhile training seminar!

The objectives of RYLA are:

1. To further demonstrate Rotary's respect and concern for youth;
2. To encourage and assist selected youth leaders and effective voluntary youth leadership by providing them with a quality training experience;
3. To encourage high quality leadership of youth by youth;
4. To publicly recognize the high qualities of many young people who are rendering service to their communities as youth leaders.
