Club Holds Successful Fishing Derby

by Wiens, Ron

Southgate Rotary held its annual fishing derby with students from a local school. Students enjoyed fishing from a stocked pond, t-shirts, and a fabulous picnic. Fun was had by all, well, except for those Rotarians who had to put the worms on the hooks for the children.

Annual Southgate Student Government Day Brings Students and City Government Together for a Day! Rotary sponsors the lunch for this event. See photos via link on left side of screen.

The day began with Breakfast at 8:00am at the Southgate Golf Course Clubhouse, 14600 Reaume Parkway which is sponsored by the Southgate Kiwanis Club. During breakfast, Mayor Joseph G. Kuspa presided and introductions of Elected Officials and Department Heads were made along with the introduction of students who will be the honorary officials for the day. An Oath of Office was also be given by the City Clerk, Thomas Alexander. Following breakfast, the students will go on a tour of all of the Municipal building including the 28th District Court, Fire and Police Departments, Library and Senior Center. They then met for lunch sponsored by the Southgate Rotary at Noon at the Hungarian Rhapsody 14315 Northline Rd. During lunch students discussed the Mock Council Agenda and prepared for the Mock Council Meeting which was held at 1:30 pm at City Hall along with the Council Members. This was a wonderful opportunity for students to see their local government up close and meet their city officials and to experience how government operates in their community. We hope this will encourage the students to become more active in Southgate and work toward making it a great place to live and work.
