**22nd Fishing Derby**

*Editor: Geno Salomone* Date: Jun 13 2010

The 22nd Annual Fishing Derby for families took place at Taylor's Heritage Park Pond. Rotarians helped with registration, refreshments, giving out tee shirts, set up of stations, collecting caught fish.

President Ed presided over the awards ceremony. The Wal-Mart donated prizes were given out to 3 people each in the junior and senior division. The heaviest fish was over 4.5 pounds. The fisherman received a special prize of an alligator head skull. It was another great FUN community service event for Taylor Families! [More...](#)

**May 26**

Sometimes we meet at 12:15, have lunch, listen to a speaker (very good ones at that), adjourn and go home. You only have to look at the articles below to see what happens besides the meeting. We, the Taylor Rotary Club as a whole, do great things in the community, and internationally, With this in mind I think we all can be proud of what we accomplish. With your help we will continue to grow and help those who need it the most. KEEP UP THE GOOD WORK.
