

HUGH ARCHER PROJECT EXCELLENCE AWARD

2008-2009 PROJECT APPLICATION

Inventor, engineer, executive, humanitarian, scientist, businessman - Past RI President (1989-90) and Dearborn Rotarian Hugh M. Archer was all those things and more, making him one of Rotary's "renaissance men."

While Hugh Archer died on July 15, 2005 in Dearborn, MI, his legacy to Rotary lives on in the hearts and minds of Rotarians worldwide. Hugh's great belief was that Rotarians enjoyed their meetings, enjoyed service, enjoyed informality, and enjoyed getting to know one another. The RI theme for his year was pure Hugh Archaism:

"Enjoy Rotary"

Rotary District 6400 and his home club established this award to honor Hugh during his year as Rotary International President. The award is given to the club in District 6400 that initiates a new project that encourages teamwork among club member and best exemplifies Hugh's theme.

The project has to be implemented between April 2008 and March 2009.

ONLY ONE APPLICATION PER CLUB!

Please answer each of the following questions in 100 words or less.

When and how was the project initiated?

How does the project demonstrate Hugh's theme "ENJOY ROTARY"?

How was the excellence achieved during the execution of the project?

How was teamwork demonstrated between Rotarians and other people?

What was the impact of the project upon its beneficiaries?
